

- The manuscript represents valid work and neither it nor another manuscript I have authored with substantially similar content has been published or is being considered for publication elsewhere, except as described in an attachment.
- If asked, I will provide or fully cooperate in obtaining and providing the data on which the manuscript is based so the editors or their assignees can examine it.

To qualify for authorship, you must have made substantial contributions to the intellectual content of the paper. Please indicate your contribution(s) to the manuscript. Check all items which apply and place signature:

	Author A	Author B	Author C	Author D
Conceived and designed the research	✓	✓		
Acquired the data	✓			
Performed statistical analysis	✓	✓		
Handled funding and supervision	✓	✓		
Drafted the manuscript	✓	✓		
Made critical revision of the manuscript for key intellectual content	✓	✓		
Other. Please specify:				
Signature				

Please put a tick mark to the box where applicable. Please add columns towards left if your article has more number of authors.

## 2. Acknowledgement Section (For Corresponding Author Only)

Authors should obtain written permission from all individuals who are listed in the Acknowledgements Section of the manuscript since readers may infer their endorsement of data and conclusions. The Corresponding Author must complete this form, certifying that:
