

- a. All persons who have made substantial contributions in the manuscript (e.g. data acquisition, analysis, or writing or editing assistance), but who do not fulfill authorship criteria, are named with their specific contributions in the Acknowledgements Section of the manuscript;
- b. All persons named in the Acknowledgements Section have provided the Corresponding Author with written permission to be named in the manuscript; and
- c. If an Acknowledgements Section is not included, no other persons have made substantial contributions to this manuscript.

The Corresponding Author must make a signature below, which will serve as certification of the statement in the Acknowledgement Section.

I am the Corresponding Author and I certify that Section 2 is true.

Statement of Acknowledgement: (In active Voice)

I am very much indebted and wish to express my utmost thanks to DrS.N singh, Prof DrBal Krishna Bhattraai, Prof DrMukeshTripathi for their affectionate guidance throughout the period of study. Their constructive suggestions and moral boost were really the steering forces behind this work.

I am personally and truly thankful to all the OT technicians who helped me for collection of samples, Mr D.D Baral, Biostatistician, for his valuable suggestion and help on statistical analysis and MrSumanShrstha from Ratna communication, Dharan, for composing and giving final design to this study.

Statement of Funding: none
